The Electoral Commission of Namibia (ECN) would like to inform the public that the Provisional Voters Register (PVR) for the Ondangwa Urban Constituency will be displayed for inspection on the 17th of April 2019. This is in accordance with Section 31 and 32 of the Electoral Act (5 of 2014) which requires the ECN to prepare, publish and display a PVR for public scrutiny and objections against the names of persons included therein.

All persons whose names appear on the provisional voters' register, registered political party or registered political organization are hereby invited in terms of the above cited provisions of the Electoral Act to inspect the Provisional Voters Register at the following listed places from 08h00 – 17h00:

- 1. Ondangwa Town Council**
- 2. Oluno Community Hall**
- 3. Oshitayi Primary School**
- 4. Ondangwa Magistrate Court**

Such inspection is done with a view to lodge objections in respect to the inclusion of names of persons in the provisional voters' register. Objections can be made against a person who:

- a) Is not entitled or qualified by or under section 22 to be registered as a voter; or
- b) Is not complying with the requirements in relation to residence as contemplated in that section

The public is encouraged to go and inspect the Provisional Voters Register in order to confirm for correctness of their details on the Provisional Voters Register, this includes, spelling of names and verification of biographical data. There are ECN officials at all designated venues to guide eligible voters and stakeholders during the inspection process.
