MEDIA RELEASE
(For immediate release)

TO : All Media Houses

FROM : Theo Mujoro
Chief Electoral & Referenda Officer

DATE : 18th November 2019

SUBJECT : ISSUANCE OF DUPLICATE VOTER CARDS

The Electoral Commission of Namibia (ECN) herewith informs the public that the Commission will be issuing duplicate voter cards at all the ECN Regional Voter Education offices countrywide from **18th -26th November 2019**.

In recent weeks, the ECN has been inundated with requests from the electorate for the provision of duplicate voter cards around the country. A voters' card is used to identify a registered voter during an election process in order for a voter to take part in an election. In the event that the card gets lost or contains a defect, the person can apply for a duplicate voter card at the ECN offices.

The ECN until recently has only been issuing duplicate voter cards at its Head Office in Windhoek and would like to use this opportunity to bring this very important service closer to the people in the regions to ensure that no voter is disenfranchised during the forthcoming 2019 Presidential and National Assembly elections.

In order to receive a duplicate voters card during this process, a registered voter must bring along the following:

- a) A sworn declaration from the police of the facts and circumstances relating to the loss; and
- b) A Namibian Identification Document (ID); or
- c) A valid Green Namibian passport.

The provision of the duplicate voter cards to registered voters' country wide will take place from **18th – 26th November 2019** from **08h00 – 17h00 Monday – Sunday**. Please note that the issuing of duplicate cards is for voters that have lost or damaged their voter cards and not for new voter card registrations.
