MEDIA RELEASE

09th February 2023

PUBLIC INFORMATION REGARDING MISSING LAPTOPS

The Electoral Commission of Namibia (ECN) hereby wishes to update electoral stakeholders and the Namibian public at large that the Namibian Police has launched a full scale criminal investigation into the case of missing laptops recently reported at the ECN Head Office.

Concurrently, the ECN has also commenced with an internal disciplinary process involving staff members tasked with the handling and management of the said laptops.

To date, this disciplinary process resulted in the suspension of two ECN staff members but the internal investigations are still ongoing; the outcome of which cannot be foretold.

The ECN will engage all electoral stakeholders using appropriate fora to discuss the matter while the nation would be informed of any developments regarding this matter through the mass media.
